

Arcade Fire

The Suburbs

*Kids wanna be so hard / But in my dreams we're still screaming and
running through the yard / And all of the walls that they built in the
seventies finally fall / And all of the houses they built in the seventies
finally fall / Meant nothing at all / Meant nothing at all*

It meant nothing

Sometimes I can't believe it / I'm moving past the feeling

Blonde Redhead

23

*23 seconds, all things we love will die
23 magic, if you can change your life*

*Your tainted heart, my tainted love, repent now
How many times ?
As long as you live, how many times ?
The world will go around*

Blur

The Universal

*This is the next century / Where the universal's free
You can find it anywhere / Yes, the future has been sold
Every night we're gone / And to karaoke songs
How we like to sing a long / Although the words are wrong*

*Yes, it really, really, really could happen
When the days they seem to fall through you, well just let them go*

Cocorosie
Good Friday

*I once fell in love with you,
just because the sky turned
from grey into blue.*

Death Cab For Cutie

I will follow you into the dark

*If heaven and hell decide
That they both are satisfied
Illuminate the no's on their vacancy signs*

*If there's no one beside you
When your soul embarks
Then I'll follow you into the dark*

Editors

You don't know love

*You ran with the dead today,
with the moles from the CIA,
they see more than you ever see.*

*Headlights in your rear view mirror,
a panther's eyes as he preys on fear,
you hunt for love, you electioneer*

Fleet Foxes

White winter Hymnal

*I was following the pack / All swallowed in their coats
With scarves of red tied 'round their throats / To keep their little heads
from fallin' in the snow / And I turned 'round and there you go
And, Michael, you would fall / and turn the white snow
Red as strawberries in summertime*

I was following the pack

Grupo de Expertos Solynieve

Con quien yo he sido

*Antes siempre me reía / de los que se enamoraban,
antes siempre me reía, / pero te vi una mañana
y comprendí que mi vida / ya iba a estar siempre marcada.*

*Si me perdiera algún día, / si un día no regresara,
si me perdiera algún día, / búscame por la mañana,
al amanecer el día, / a la vera de su cama.*

Thieves in the night

*My friend once told me something so right

My friend once told me something so right
He said to be careful of thieves in the night*

May it be that we don't always want*

Interpol

C`mere

*It's way too late to be this locked inside ourselves

It should be me. Oh, it should be me / Sacred parts, your get aways
You come along on summer days / Tenderly, tastefully*

And so may, we make time / Try to find somebody else

Joy Division

Love will tear us apart again

*Do you cry out in your sleep / All my failings expose?
Get a taste in my mouth / As desperation takes hold
Is it something so good / Just cant function no more?
When love,*

love will tear us apart again

Keane
Crystal Ball

*Who is the man I see, / Where I'm supposed to be?
I lost my heart, I buried it too deep / Under the iron sea.*

*Oh crystal ball, crystal ball,
Save us all, tell me life is beautiful / Mirror, mirror on the wall.*

Littlejoy

The Next time around

*It's not enough to set the turn / With nothing ventured nothing learned
It's how it's always been
I'll belong to you, it's how it's meant to be
It's how it's always been*

Maga Diecinueve

*Y dormíamos tan juntos que amanecíamos siameses,
y medíamos el tiempo en latidos.
Y en tus dedos yo tocaba mis canciones, / dedos de teclas de celesta.*

*Y tu pulso tamborileaba en mis sienes y muñecas
como diminutas patas de ciempiés,
y nos repartíamos los labios y los dientes y el hipo
y del alfabeto las impares.*

Nirvana

Come as you are

*Come / as you are
as you were / as I want you to be
as a friend / as a friend / as an old enemy
take your time / hurry up / the choice is your / don't be late / take a rest
as a friend / as an old memoria*

Mañana

Fuego en casa

Cuando de madrugada despierta en la oscuridad, siente un escalofrío que siempre le hace dudar. Es lo que impide que pueda llegar a tiempo a trabajar y que si le preguntan por lo nuestro sepa que contestar. Por favor, no lo hagas más... Algunos fines de semana lo puede esquivar, no desayuna y corre hasta donde puede llegar. Pero no es infinita su energía y se terminará más tarde o más temprano siempre ocurre antes de Navidad. Y otra vez vuelta a empezar...

Owen Pallet

Midnight Detectives

*Cross her off the shortlist / My blood is a red-winged bird
The way will be lit by the bridges we burn, oh
And come, tornado!
Carry me away from the croft / Ruffle my hair, bear my body aloft,
oh*

Los Planetas

8

No saldría nunca de la cama. / Y las nubes en el suelo / y el color de este cuarto. / Si me muevo se podría despertar / dejará que esté con ella, yo podría ser su esclavo. / Ahora ya no necesito más.

Haría lo que fuera, daría algo más. / Entonces se despierta, me mira y sé que nada va a pasar. / De pronto sé que nada va a pasar.

Y me sonrío, y todo vuelve a brillar; / y se acerca, y nada puede salir mal.
